## Writing Rural Indiana Life

### About jsmwriter.com

[jsmwriter.com](http://jsmwriter.com) is a multimedia news blog site about education, the environment, and healthy living with a focus on life in rural Indiana. Additional articles include how-to's, Indiana histories, hometown happenings, and things to do and see around the state. [jsmwriter.com](http://jsmwriter.com) also offers an in-depth feature article section.

### About Jennifer

Jennifer is a new media journalist, writer, blogger, videographer, and rural Indiana life enthusiast. She advocates participation in education, healthy living, saving the environment, and family friendly activities. She is published in [The Worthwhile Journal](#) and with [Mountain Springs House Books](#).
